

**August (summertime recipe)**

## **Cherry Cake – tray-baked**

*Ingredients (for 1 tray):*

### **Earth**

4 eggs  
250g butter  
200g sugar  
2 packs vanilla sugar  
130ml milk

### **Water**

Salt

### **Wood**

500g flour  
1 pack baking powder  
1kg stone-less sour cherries

*Preparation:*

Mix all ingredients (except the sour cherries) to a creamy and smooth cake dough. Drain the sour cherries (if necessary) and gently fold them in the mixture. Grease the tray or cover it with baking paper. Spread the dough evenly on the tray.

Bake the cake for 20 minutes.

Recommended baking temperature: 20 degree Celsius
